MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 6 to Contract No. SC-56 with Lockheed Aircraft Corporation, Burbank, California, [redacted] 1A, Project AQUATONE 25X1A

1. This memorandum contains a recommendation submitted for the approval of the Project Director. Such recommendation is set forth in Paragraph 6.

2. Contract No. SC-56 covers the furnishing of technical representatives for Project AQUATONE for the period 1 April 1956 through 30 June 1958.

3. This Amendment provides for a two-week training course for 3 technicians in the maintenance of the Auto Pilot. This training will be supplied by [redacted] a subcontractor of LAC. The fixed price cost of this training is $3,089.63. 25X1A

4. Additional funds are not being obligated to cover this service at this time as it is believed that the amount presently allocated will be sufficient to cover this added requirement.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect, results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
